

ChronoTrack D-Tag Instructions

For Bicycles

Step 1

Remove the D-Tag from directions or event information sheet

STEP 2

Separate D-Tag from directions or information tab

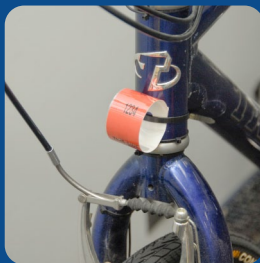

STEP 3

Remove the adhesive tab and adhere the D-Tag to itself forming a loop

Step 4

Using a zip tie, attach the looped D-Tag to the front of the bike so the orange part faces forward (every bike will vary, see examples below)

DO NOT

Wrap the D-Tag directly around any part of the bike
